- 4) Platform For Election
 - a) Primary reason(s) for running: My primary reasons for running are to continue improving the programs that are available for our membership. This includes the Insurance program, the TMLA program, and improving the application process for new Chapters. These are the programs that I am directly in charge of and have spent the last two years developing and bringing them into the 21st century. My work is not complete and I look forward to continuing the improvements with the support of the membership. I look forward to putting in the time to improve all our current programs or new programs we can come up with to help grow and strengthen our membership.
 - b) Vision for future of RKIMC: In the past few years there have been some major accomplishments achieved by this organization. I would love to see the growth continue with strong Chapters that have access to very complete and helpful programs offered to them. I have seen the 400 Chapter and 10K member thresholds hit, my goal is to help be a part of the 450 Chapters and 15K Members. It will also be a huge accomplishment to pay off our newest property so we can actually say the Red Knights own our Memorial and not the bank!
- 5) Other: I have enjoyed the support of the Membership over the years of holding an office. I continue to want to work for you and to help this organization strengthen and grow. Thank you for what y'all have done and I look forward to doing more in the future with you.
