- 4) Platform For Election
 - a) Primary reason(s) for running to better communications from the board to the membership and serve the members Promoting the positive image of motorcycling while enjoying the camaraderie of other firefighters with their families. I think we have grown so large that we sometimes we forget why we were formed. We are a business but we need not to forget where it began and why. To ride, have fun, make new friends. We all so need to get the younger members more involved in the chapters. These members are the ones that will be here when we are long gone.
Vision for future of RKIMC: We all need to look forward into the future to see how we can better the organization. If you have an idea do not think it would not work. I would like to encourage each member if you have any topics that you think the board should address please send it to your Regional Director so that we can discuss it. Remember this is your club
