In 2005 I joined Red Knights TX 4. Then in 2006 I took on the role of Chapter President and started building the membership. In 2 years we went from 6 members to 40 members. This is also my goal for Region 6, build and recruit as many chapters and members as possible. In 2014 I became the Vice President for the Texas Association. In 2010 we took on the Texas LODD Task Force as our primary charity. I am retired from the League City Vol. Fire Dept. where I was a member for 27 years. I served in the positions of Firefighter, Lieutenant, & Captain. I was the Fire Prevention Coordinator for 15 years. My first term a Regional Director has been humbling and very busy. I have enjoyed meeting a lot of my Red Knights Family at the Annual Conventions and the different rallies that I have attended. My continuing goal is to recruit as many new members and Chapters as possible.
