Firefighters
Motorcycle Club, Inc.**

Membership-At-Large

We understand that due to circumstances beyond your control, you may not be able to assemble a group of 7 potential members from your fire service who ride motorcycles. Because this situation may arise, and because we do not want to discourage any Firefighter from joining our organization, we have a Member-At-Large status.

Members-At-Large must meet the same criteria for membership as a Chapter member. The applicant must be in good standing in a fire service, paid, volunteer, or industrial. Their status may be active, retired, or disabled. Applicants must own or have access to a street legal motorcycle and be licensed to ride it. Spouses or Significant Others are also welcome to join the Club as Social Members

As a Member-At-Large, you will have the same rights and responsibilities as a Chapter member. You shall have the right to wear the Club's insignia and colours as regulated by the International Executive. You will receive all mailings that are sent to the Chapters so that you may be well informed as to the activities and business of the Club. In addition, you will periodically receive communications from the Executive member responsible for Members-At-Large.

VOTING RIGHTS: Members-At-Large have one collective vote at all General Meetings. The M.A.L. group is treated as a Chapter and is represented by one Member-At-Large elected by the Members-At-Large present at the meeting. Should you have further questions please feel free to contact any of the Executive.

We would be pleased to welcome you to the Red Knights International Firefighters Motorcycle Club.

Have you ever been traveling and thought, "Gee I don't know anyone around here. Where is the best place to eat, stay, or get my bike worked on?" That's what the Help-A-Knight program is for – to maintain a database of Red Knights who are willing to accept telephone calls and help fellow Red Knights. Some of the help may be for information, or other options you may help on is if a RK member can stay overnight, pitch a tent in your yard, or leave their bike at your house.

The **Red Knights Help-a-Knight** program available on line at www.redknightsmc.com
(You need Adobe Acrobat to read the file).

We will continually update the version that is available on our web page. Below is the registration form to add or update your information in the H-A-K program. Questions about the H-A-K program should be directed to editor@redknightsmc.com
